38. The Town voted to authorize the Selectmen to sell tax deeded property.
39. The Town voted to hear any reports of Agents, Committees, etc. heretofore chosen. Passed.

Lee Robbins thanked people for their support for the Safety Committee.

Charlie Gilman asked the Selectmen to be careful to look at incomes when adjusting the tax rate.

School meeting continued to March 27, 1993.

Donna Calabro asked people to remember our youth when voting at the School Meeting.

The Moderator was thanked for running an orderly meeting.

David Kochman expressed appreciation to Mike Pearsall for his work as Selectman and welcomed Marie Knowlton as new Selectman.

Bill Sullivan questioned house lots being sold on a private way.

40. The Town voted to take any action that might legally come before it. Passed.

Motion to adjourn. Passed.

Polls closed at 8:51pm.

Respectfully submitted,
Pamela R. Goodell
Town Clerk, Richmond, NH

AUDITOR'S REPORT

Richmond, NH 03470
February 1994

The Board of Selectmen
Town of Richmond
Richmond, NH 03470

I herewith submit the report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1993. The enclosed financial statements are an integral part of this report and must be retained by the Town Clerk with other pertinent Town records.

SCOPE OF AUDIT

The account and records of the Board of Selectmen, Treasurer, Tax Collector and Town Clerk were carefully verified and checked.

FINANCIAL STATEMENTS

1. The Statement of Appropriations and Expenditures show a net unexpended balance of appropriations amounting to \$32,737.59. In 1992, there were \$31,087.09 in unexpended balances.
2. The Statement of Estimated and Actual Revenue shows a net revenue surplus of \$13,803.27. In 1992 the net revenue surplus amounted to \$65,513.99
3. The Budget Summary indicates a net budget surplus of \$47,174.25
4. The account of the Town Treasurer, Town Clerk, Tax Collector and Fire Department Equipment Fund have been summarized and tabulated.

AUDIT PROCEDURES

The accounts and records of Town Officials charged with the receipt, disbursement and custody of public funds, as indicated by the scope of the audit, were inspected and verified to the best of my knowledge and

ability. All town books and accounts were examined carefully and, where necessary, tests of certain records were made as part of the audit.

CERTIFICATION OF AUDIT

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1993. In my opinion, the attached statements represent the financial position of the Town of Richmond for this period.

THANKS

I sincerely thank the Town Clerk, Tax Collector, Town Treasurer, Selectmen and their Secretary for their kind help and cooperation during the examination of their books and records.

Respectfully submitted

Loreal R. Condon
Auditor
Town of Richmond, NH

SELECTMEN'S REPORT

The issue of Selectmen vs. Selectboard became apparent in 1993, the Chinese Year of the Rooster.

Congratulations to Richmond Town Report for winning third place in the New Hampshire Municipal Association contest.

Richmond is an award winner in community service. The year saw volunteers supporting every town function, improving buildings and helping others. We are fortunate to see the Safety Services building completed owing substantial cost savings to the efforts of volunteers. The Veterans Hall has been repainted and re-stenciled, thanks to donation of time and talent by several local residents. The playground has a new life thanks to volunteer fund raising energy and construction. The Share Program came to town as a local service to residents. Our Rescue Squad, and Fire Department, exceed expectations with their devotion to the incredible work they do. How can we thank you???

Richmond was free of debt this year due to frugal budgeting and financial planning of department heads, and prompt payment of property taxes by residents.

Several resignations occurred leaving vacancies in positions which had been held for many years. Harry Conley resigned as Health Officer after nine years of service and has been replaced by Cliff Warme. Linda Herron resigned as Town Auditor. Dot Robbins, who served the town for a million years, retired on December 31, 1993 (actually it was 45 years). Marianne Beaman, the town secretary/bookkeeper, also resigned at year end. Just after closing the books Marianne closed the door. Sincere thanks to all.

The Selectboard must continue to address the issue of landfill closure, the pending situation of an access road to Fay Martin Road, and the outcome of the Paragon/Antenna/Tower lawsuit.

The state gained over the beaver pond last summer . . . (see 1991, 1992 Town Reports).

REPORT OF THE TOWN CLERK

1993 saw a large increase in the amount of business in the Town Clerk's office. Much of this was due to the fact that we now have the ability to dispense plates and decals. Eighty-three percent of Richmond residents chose to purchase their decals in town, resulting in an extra \$1903 in revenue. Vehicle registrations were also up by almost \$9000.

Most of the time the computer is a big help in getting the work done quickly and accurately. However, we are still struggling to have the computer company get the last glitches out of the program. It has been three years worth of struggling so far. There is a possibility of switching companies if things don't improve soon. Live and learn!

This year has also seen changes in personnel. After many years of dedicated service Dot Robbins retired in December. We appreciate all she taught us and we will miss her. Deb Vaughan is now Deputy Town Clerk and Janet Boccalini continues as Assistant Deputy Town Clerk.

POLICE DEPARTMENT REPORT

I would like to thank the Richmond residents for the funds for our new office space in the newly established Emergency Services Building. A special thanks to everyone who donated materials and labor during construction. Your police department has been working out of a 12' X 12' room for several years with no rest room or running water. The police department now has a squad room, an all-purpose meeting room, a processing room, secured storage space above the offices, and a rest room with running water. Thank you!

We are pleased to announce two new officers to the Richmond Police Department; Scott Hagar and Glenn Beaman.

In case of any emergency, call Mutual Aid Dispatch, **352-1100**. The 24-hour dispatch service can quickly locate and send the appropriate service for any emergency.

For non-emergency police service you can call 239-6007 or the Chief's residence, 239-6238.

FIRE DEPARTMENT REPORT

Your volunteer fire company would like to thank each and every person in Richmond for your continued support and your continuing attention to fire safety. 1993 has just become another year with no serious structure fires in Richmond! Now if we could just boot the chimney fire gremlin out of town...

This has been a big year for your fire department! I am sure you have all noticed that the new addition to the fire station is operational. No, it is not finished, but it is weather tight, and completely functional as many of you have had the opportunity to see first hand. We are very certain that we got a lot of facility for our dollars and with the winter weather we have been experiencing the upgrade in capability was just in time!

On the fire scene your fire department responded to 49 emergency calls in 1993. The record shows:

- 3 Brush fires
- 9 Chimney fires
- 5 Mutual Aid calls
- 4 Mutual Aid cover assignments
- 3 Motor Vehicle accidents
- 2 Miscellaneous calls
- 23 Rescue calls

In review, we expended over 500 hours in direct emergency service. That is more than 8 hours per week, every week of the year and that is just the tip of the iceberg. The hours spent making sure we are ready to meet the demands levied during those critical hours outstrip the actual emergency service hours many times over. We look forward to another banner year in 1994 and with your assistance there will be fewer emergencies than in 1993.

Thanks to each and every fire fighter, rescue squad member and their families for their sacrifices to make Richmond a safer place to live!

REPORT OF THE RESCUE SQUAD

For the Richmond Rescue Squad, the focus of 1993 has been training to provide consistent levels of quality care to the sick and injured. The programs include additional classroom training with "hand-on" sessions, as well as programs for certification, continuing education and mandatory re-training.

This is a time when advances in technology are becoming increasingly available. We are seeing the advent of several "high tech" products that will allow the Rescue Squad to perform certain specialized skills with a safety factor that once required extensive training. The efficiency of devices such as the automatic defibrillator make it possible for the Rescue Squad to provide sophisticated lifesaving care. This is an exciting and demanding time for us.

We continue to train with the Winchester Ambulance Service, attend seminars at Cheshire Hospital, as well as conduct "situation drills" of our own. One of these drills found the "patients" to all be professional fire fighters -- EMTs with the Athol (Massachusetts) Fire Department. It was an excellent learning situation for everyone who took part. They spoke our language and commented that we had a "well stocked rescue truck to work with here in the New Hampshire woods."

During 1993, Cecily, Kathie, Lolita and Dave have successfully completed the EMT (Emergency Medical Technician) Course. They join Herb and Coleen, who were trained as EMTs in 1992. Dana and Tom are presently re-certifying in Advanced First Aid, while Patty is enrolled in the EMT course at Cheshire Hospital.

As the Rescue Squad begins its fifteenth year of service to Richmond, we again thank all for the wonderful support given us. There would be no Rescue Squad without such support from the town.

Remember, if you need the Rescue Squad, call 352-1100. Mutual Aid will tone us -- and we are always on call.

REPORT OF CEMETERY TRUSTEES

This was a quiet year in the cemeteries. There were three burials, and, of course, the normal mowings and maintenance.

Each year, in addition to the regular maintenance of the major cemeteries (Middletown, South and Earl Howard), we try to work on one of the numerous small cemeteries which abound in our town. This past year Aldrich Cemetery in North Richmond was cleaned up. This year's project is Barrus Cemetery on Whipple Hill. This will require a good bit of work and time. Anyone willing to volunteer their time and labor should contact Trustee Pam Bielunis.

The process of mapping and establishing full burial records for the old section of South Cemetery continues, and will extend into next year.

In June, the trustees faced an unpleasant and upsetting experience. The grave of Mr. Aaron Ballou, who was buried in 1861 in Benson Cemetery, was desecrated, and the body dug up. Trustees Webber and Bloom re-buried as much of the body as we could locate. A police investigation continues.

RICHMOND CONSERVATION COMMISSION Annual Report for 1993

Although the Commission's sister organization, the Richmond Conservation Task Force, is now inactive the Commission was saddened by the death of Task Force member Henry Randall. The absence of Henry's commonsense, willingness and quiet humor leaves us all the poorer. One compensation is that Henry's grandson, John Randall, has joined the commission to fill the vacancy left by Stan Bartram. John's energy and expertise will be a welcome resource in the years ahead.

Once again we ask for community participation in fulfilling one of the goals of the Harry J. Bennett Memorial Fund, which is administered by the commission. The fund annually finances tuition for one or more young persons from Richmond to attend the Society for the Protection of New Hampshire Forests' Youth Conservation Camp. The camp provides a high quality educational and recreational experience focused on basics of environmental science; it affords an unparalleled opportu-

nity for “hands on” practical approaches to have completed the eighth grade and be between 13 and 18 years of age. The commission will pay all fees for those applicants it may sponsor. Don’t forget that a resume that includes this kind of experience is the sort of thing college admissions committees are looking for. Eligible persons should contact any member of the commission before May 1.

Please remember that the commission will provide any interested resident with the use of Richmond’s “solar site selector.” This device shows where the sun will be at any hour of any day and allows the user to plan for the optimum use of free solar energy. If you’re planning an addition or, especially, if you’re constructing a new residence, remember that proper orientation to the sun usually costs nothing extra and can save thousands of dollars of heating costs over the lifetime of the structure. If you’re interested, please contact the secretary.

During the past year the commission provided oversight for a pond construction project, which was found to be in compliance with the applicable regulations.

Field trips in the Sprague Meadows have helped determine the boundaries of the Town Forest in that area. Negotiations are continuing with Tree Growers, Inc. concerning the possibility that the Town might be willing to grant certain flowage rights in the meadow in return for a permanent conservation easement for the Harris Soapstone Quarry.

Plans for eventual parking spaces and trails for the Bennett Easement on Brickyard Brook are now established and will be put into effect during the coming year. It is expected that the modified sign for the easement will be put in place next spring.

Field observations were made of the great blue heron rookery on the Cass Heirs’ property abutting the Harry J. Bennett Town Forest. The Cass heirs are still considering the possibility of a conservation easement, which would afford lasting protection for this ecologically important resource.

Finally, the commission would like all property owners to consider the advantages of conservation easements. These legal documents can provide permanent protection for areas of esthetic or ecological importance. Such easements are flexible and can be designed to suit the wishes of the land owner. Significant tax benefits may be possible. If you would like to investigate how such an easement might suit your needs, please contact the secretary for more information.

Norman E. Tandy, Secretary

LIBRARIAN'S REPORT

The careful use of the town appropriations and generous private donations resulted in significant improvements in both the library building and collection during 1993.

In an effort to reduce the excessive humidity in the library and eliminate the resulting mildew and mold, a humidistat and blower system were installed in the basement and insulation and vapor barriers installed under the library floor. Although the electricity bill has increased since the system has been in operation, it is expected that the improvements will eliminate costly degradation of the interior walls and of the books themselves. We incurred another unexpected expense after noticing that the library chimney almost rusted through and was in imminent danger of falling off. A new chimney was promptly fabricated and installed by the Whittum's company, Monadnock Sheet Metal.

Access to the children's book collection was greatly improved by adding approximately 133 linear feet of new shelving. One new bookcase has also been installed in the main reading room, but more shelving still needs to be torn out and replaced and new shelving added. The library book collection was increased by 769 titles (over 450 books that were worn out or out-of-date were removed), 14 videos, 40 audio cassettes, and three music compact discs. Generous town residents also donated a computer and a printer, and work on automating the collection is beginning and will continue for some time.

Use of the library continues to grow. New library cards were issued to 23 adults and nine children. Fifty-one children participated in our summer reading program, and the children's collection continues to receive particularly heavy use. Richmond parents emphasize reading: Many bring their children at least once a week; some come almost every library day. Many children participate in our once-a-month (plus special holiday) story hours, with stories read aloud by Richmond adults and young people. Thank you to all who have volunteered to read. Beginning with this school year, the Whipple Hill school bus stops at the library each Tuesday so that the youngsters on that route can borrow books. Thank you Jan Meade for initiating this program.

As I end my first year as Richmond librarian, I want to thank you all for your support of our library and its programs and for your personal support and words of encouragement. See you at the library!

Dianne Jacobson
Librarian

LIBRARY TRUSTEE'S REPORT

It's been a busy year at the library, including considerable building maintenance. We had emergency work done to repair a leaking chimney and had a stainless steel flue stack installed. We also had the crawl space ventilated and a humidistat, insulation, and a vapor barrier installed to combat the moisture problem that was ruining many books and damaging the walls. The installation of the humidistat made our electric bill skyrocket during the summer months, but we hope that the vapor barrier and insulation work done in the late fall will bring them down next year. The shelving in the children's room was collapsing, so we had new shelving put up, with most of the materials and all of the time and labor donated by generous residents. We plan to redo some of the other shelves and upgrade the lighting in the main room this year.

We also worked with the librarian, Dianne Jacobson, to improve the collection and make it more accessible to Richmond residents. Many new books were added, and the shelving in the main room reorganized so that new titles are prominently displayed. Dianne works hard to bring specific books to the attention of interested readers and enthusiastically finds and recommends particular titles. We continue to encourage reading for children: We supported the summer reading program and arranged for special story hours.

While we worked to keep expenses under control, much of what was accomplished this past year would have been difficult if it were not for donations and volunteers, and we want to thank all those who generously gave time, labor and materials to the library. Many volunteers put in hours to cover the library during emergencies, others did spring cleanup and summer lawn mowing. The Friends of the Library ran the book sale and silent auction on Richmond Day to raise additional funds. Diane Jacobson donated many hours while getting established as librarian. For a small town, we have a lot to be proud of!

RECREATION COMMITTEE REPORT

The Recreation Committee started off 1993 with the Easter Egg Hunt in April. Despite being rained out two previous weekends, a large crowd of parents and children gathered at the fire station for the annual event. The event started with basket making and refreshments inside the fire station and concluded with the Easter egg hunt and a surprise appearance by the Easter Bunny.

Summer began with Red Cross swimming lessons at Camp Takoda. Swimming lessons are provided free of charge to all children of town residents. Lessons are four days a week for four weeks. All levels of instruction are offered from beginning through lifeguard. Town children often return each year to further advance their swimming skills.

July 26-30 was an exciting week for the children who participated in this year's annual Summer Day Camp, held at the town pavilion. Camp director, Fred Goldberg, camp counselors and 30 (plus) campers transformed the area behind the library into a Native American village. An authentic homemade tepee served as a starting place each day, and the pavilion served as the arts and crafts center. This one week of camp is offered for children ages five through 12 each summer.

Summer ended with Richmond Days on Labor Day weekend and the annual *Race to the Border and Back*. Over 50 people walked and ran. All of the money raised from the run and the walk was donated to the Park Committee to improve the park area. Games included a ping pong toss, balloons and face painting.

The final event of the year was the Halloween party held at the pavilion. A large bonfire set the scene for a bewitching night. Adults and children participated in the costume contest. Winners received Halloween sweatshirts. Parents enjoyed refreshments while children bobbed for apples, ate donuts from strings, dipped caramel apples and carved jack-o'-lanterns. Hay rides were provided throughout the evening. It was an exciting and enjoyable year for the Recreation Committee.

REPORT OF THE BEACH COMMITTEE

The summer of 1993 passed all too quickly for the beach people of Richmond, New Hampshire. Our quiet, well-hidden spot on Cass Pond continues to be discovered each summer by more and more people.

The purchase of four new picnic tables has added to the beach's comfort for those who come to relax, and yet do not wish to sit on the sand.

And please leave the dog some cool water before heading to the Richmond Town Beach. All dogs are NOT WELCOME at the Town Beach; no matter their size, no matter how well behaved their owners assure us that their dogs will be. It is too difficult to control the dog's natural instincts, until someone steps in it.

Once again, if something occurs that needs attention, please make the Beach Committee aware of the situation. This is *your* Town Beach. Enjoy it, keep it clean, and use the rubbish barrel for beach rubbish. THINK BEACH.

Patty Webber

ROAD AGENT REPORT

This year grading roads started May 3. It takes about three weeks to grade all the roads. Some were graded throughout the summer. About 1400 cubic yards of gravel from the town's stockpile at Martin's pit was loaded, spread, and graded on Sprague and Bullock Roads. Cleaning ditches, widening and sealing work was done on Fish Hatchery Road. Back Hoe work was done on Lang, Activity, Whipple Hill, Sprague and Turnpike Roads. Widening of Whipple Hill Bridge was started; abutments were widened and steel stringers set in place. General maintenance consisted of cutting brush, cleaning ditches and culverts, replacing road signs and cleaning up after storms and beavers. Calcium chloride was used on the heavier travelled roads for dust control this summer. Work was also done on Benson Road entrance and a turnaround at the end of Class V Road. Winter maintenance through bids for the second part of 1993, first part of 1994, went as follows: All roads east of Route 32 were awarded to Dan Firmin; all roads west of Route 32 were awarded to Buddy Blood.

PLANNING BOARD REPORT

The Planning board had a relatively quiet year. This was due to the poor economy and the tremendous slump in the real estate market. The board took this opportunity to review the Master Plan questionnaires previously distributed to nearly all the adults in the town. Responses reveal common trends that will certainly set a direction for the Board on which to base future decisions. The Board has enlisted the help of the Southwestern Regional Planning Commission in methods of interpreting and applying the results of the survey in the revision of the Master Plan. The Board would like to thank Janice Flaherty for all her hard work and help as secretary to the Board. Without her dedicated professionalism the Board might still be struggling to sort out the Master Plan questionnaire responses. The Board regrets her resignation but understands her other commitments. The Board was very fortunate to replace Janice with Theresa Morin.

EMERGENCY MANAGEMENT REPORT

Emergency Management continues to serve a very vital role for the Town of Richmond in coordinating emergency services and providing training for the Fire, Rescue and Police within a framework of an Emergency Response Plan. The Emergency Response Plan was an outgrowth of our need for emergency planning due to our proximity to Vermont Yankee. Developing that plan and the associated training necessary to fulfill Federal and State requirements has significantly strengthened Richmond's ability to deal with most major emergencies that the Town is likely to encounter. Most importantly, we have been very fortunate to have such tremendous dedication on all levels from Federal and State to the outstanding VOLUNTEER citizens of Richmond, without their dedication and professionalism no plan can be effective. We are really excited that the building expansion by the other emergency services has provided such much needed professional facilities and that the C.D. building can once again be returned to its appropriate level of preparedness.

Respectfully submitted,
Robert S. Coy, Director of Emergency Management

HOME HEALTH CARE & COMMUNITY SERVICES

In 1993 Home Health Care and Community Services (HCS) continued to provide home care and community services to the residents of Richmond. The following information represents a projection of HCS' activities in your community in 1993. The projection is based on actual services provided from January through September 1993 and an estimate of usage during October, November and December.

SERVICE REPORT

Services Offered	Services Supported	
	Services Provided	Partially or Totally By the Town

Total Unduplicated Residents Served: 9

In addition to the above activities, regularly scheduled blood pressure clinics, child health clinics, and telephone consultation were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1993 with all funding sources is projected to be \$7,903.73. The total cost of services provided for a partial fee, or at no charge to residents in 1993 is projected to be \$1,660.75. For 1994, we recommend an appropriation of \$3,000.00 to continue home care services at the current level.

Thank you for your consideration.

WINCHESTER SOLID WASTE MANAGEMENT DISTRICT REPORT

The past year saw an increase in the volume of recycleables, but we are still a ways from the percentage we are striving for. As many people are aware, the Landfill is going to be closed in the near future. Alternatives for the Landfill are being researched. Any alternative we choose seems to indicate the more we recycle the lower the cost to handle the rest of the solid waste. Plans for the closure have been developed and submitted to the Department of Environmental Services. When the plans have been approved, we will continue work to cap the inactive areas.

The public, every individual and company, can assist in making the Landfill and Recycling Center more efficient. It is very labor intensive to dig through materials to pull out contaminants. Materials should be put in the proper place and be free of contamination; ie. scrap metal should be free of rubber tires, lumber in the burn pile should be free of metal and shingles, leaves and lawn clippings in the compost pile should not be in plastic bags, tires need to be off rims, the list goes on. Please think before throwing and ask questions if you don't know what to do with something. The District will make every effort to keep you informed of all developments concerning the Landfill and its closure.

Richard Rounds
District Superintendent

FORTY-FIVE YEARS AT A GLANCE

Dot Robbins became Treasurer of the Town of Richmond in 1948 and remained in that position until 1956 when she and her husband, Len, moved to Alton, NH. At that time Dot turned over her responsibilities to Jennie Bennett and Len, who was Town Clerk, turned his responsibilities over to John Hewel.

The Robbins' returned to Richmond in 1959 and the following year Len was asked to serve as Tax Collector. "Yes," replied Len, "but Dot will have to do the book work."

"I thought that it would be impossible because in my small Vermont high school we didn't have typing or bookkeeping," said Dot.

"You can do it!" said Harry Bennett.

So Dot went to two other tax collectors for job training. "I didn't have a typewriter or an adding machine for several years, but the amount of taxes to collect was much smaller then. After a few years I took over the Tax Collector's job completely and got myself an old Royal typewriter and an adding machine which showed the dollars, but not the cents. I had to add the cents back in manually. I was very grateful when the Selectmen got me an electric typewriter and calculator."

In 1968 Dot became Secretary to the Selectmen, which included compiling the Town Report, a job she held for the next 16 years.

In 1970, when Mr. Hewel moved to Florida, Dot became Town Clerk, all the while continuing to serve as Tax Collector. Also, that year automobile titles were just coming into existence in New Hampshire. "I had many butterflies in my stomach when a person came through the door for a title, but I mastered them." During this time Dot also served as Ballot Clerk when needed. "I was holding down four jobs at once," said Dot.

In 1984 the positions were divided and Dot retained the job of Town Clerk, which now only included an electric typewriter and calculator, but warranted a deputy. Dot trained Pam Goodell as deputy, who took over as Town Clerk in 1990 after which Dot stayed on as deputy.

"The computer has been a challenge" said Dot. "But I enjoyed it despite all of the glitches we have had to contend with."

In retrospect Dot said, "Throughout the years I enjoyed working for the public and working with my associates. I have many interests to keep me busy and still have a deep interest in the town. The much appreciated retirement gift of the radio scanner and my activities with the Seniors will keep me in touch with events."
